Emmaus Christian School offers parents an excellent education and mentoring within a Christian worldview and community.

Building Works
In 2008, in addition to regular maintenance works, the school completed the Secondary Courtyard (see picture), a security fence around the Primary Courtyard and a new tiled Chess Board in the Primary Courtyard (see picture).

Annual Report to Parents 2008
Sharing God’s World with the Next Generation
Development of strong and positive Christian character, effective social skills, and generous service are also key tasks at which Emmaus excels.

During 2008, there were 53 teaching days where relief staff had to come in for sick staff. At the end of 2008, there were no teachers who moved from Emmaus. Only 1 of our teachers has not completed her 4th year degree, but she is working hard and will do so within the time limit set by the government. 2 of our Staff have 4 year qualifications plus Masters degrees. 100% staff were satisfied with the school.

During 2007, $14,808 was spent on staff Professional Development, mainly on study done by teachers individually in a wide range of areas.

All students were satisfied with the school. There were 2694 student days absent which equates to nearly 10 per student or about 5% of the year on average. Absences included sickness, family trips, unexplained & so on.

All of our Yr 10 students graduated into Yr 11 to continue their studies into 2009. They moved to: Lake Ginninderra College (10), Hawker College (8), Dickson (3), Narrabundah (2), St Francis Xavier (1), and Interstate (1).
