Vision/Purpose

Emmaus exists to partner with parents, in providing a Christ-centred, Biblically-grounded and academically-rigorous education, which enables students to grow in wisdom and character, to the glory of God.

Values

1. Caring for Others

At Emmaus, we value, care for and respect each other because we are all made in the image of God. We partner with parents to care for and develop the whole person- body, soul and spirit. We foster a sense of belonging, celebrate one another's achievements and choose to be grateful for our school and each other. We are a community that learns in a fun, creative, encouraging and generous environment.

2. Striving for Mastery

At Emmaus, we encourage students to strive for excellence in all aspects of life: in study, work, and in relationships with God and with people. We believe God equips every person with gifts and abilities. We seek to instill in our students a strong desire to apply their utmost to what they do, an attribute that will long outlive their school years. Students are encouraged to master and apply academic and life skills in order to make the most of their opportunities in later life. Our goal is to equip students with the necessary skills and understanding to make wise and Godly choices, and to live resilient, fulfilled, and productive lives.

3. Equipping for Service

At Emmaus, our motivation for service is the love that Christ has shown us: his life of servant leadership is the example we seek to follow. Staff at Emmaus model integrity, accountability and the value of excellence in our work. We strive to equip students with both the desire and the skills to make a difference in the lives of others. We aim to grow students who are rich in Godly wisdom and noble character, and find their security in the love of Christ.

Education Act 2004 (ACT)

1 Introduction

The Education Act 2004 (ACT), sections 99-102, requires schools to ensure that students attend school, and to act to encourage attendance from those who are not attending school regularly. It also requires that registers of Enrolment and Daily Attendance of all students at the school be maintained. The primary goal of the school's attendance procedures is the well-being and quality education of all students.

Section 146A of the act requires that the Transfer Register be maintained.

2 Christian Rationale

Emmaus Christian School Canberra exists to partner with parents in educating their children. The school undertakes this role with great respect, understanding that this responsibility and authority also comes from God.

First, regular attendance at school is essential to assist students to maximise their learning. Second, the school has a duty of care for students during school hours. The register of attendance is an important tool to ensure the whereabouts and safety of all students enrolled at the school, and to give an account to their parents. It allows the school to pursue its educational programs, as well as appropriate welfare, pastoral care and discipline for the student.

Encouraging regular attendance is a core school responsibility. Procedures for the accurate record of enrolments and daily attendance, and follow-up of absences, assist the school to fulfill its responsibilities to students and their families, to the ACT government, and to God.

Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving. Colossians 3:23-24
