Vision/Purpose

Emmaus exists to partner with parents, in providing a Christ-centred, Biblically-grounded and academically-rigorous education, which enables students to grow in wisdom and character, to the glory of God.

Values

1. Caring for Others

At Emmaus, we value, care for and respect each other because we are all made in the image of God. We partner with parents to care for and develop the whole person- body, soul and spirit. We foster a sense of belonging, celebrate one another's achievements and choose to be grateful for our school and each other. We are a community that learns in a fun, creative, encouraging and generous environment.

2. Striving for Mastery

At Emmaus, we encourage students to strive for excellence in all aspects of life: in study, work, and in relationships with God and with people. We believe God equips every person with gifts and abilities. We seek to instil in our students a strong desire to apply their utmost to what they do, an attribute that will long outlive their school years. Students are encouraged to master and apply academic and life skills in order to make the most of their opportunities in later life. Our goal is to equip students with the necessary skills and understanding to make wise and Godly choices, and to live resilient, fulfilled, and productive lives.

3. Equipping for Service

At Emmaus, our motivation for service is the love that Christ has shown us: his life of servant leadership is the example we seek to follow. Staff at Emmaus model integrity, accountability and the value of excellence in our work. We strive to equip students with both the desire and the skills to make a difference in the lives of others. We aim to grow students who are rich in Godly wisdom and noble character and find their security in the love of Christ.

Introduction

This Uniform Policy has been developed in conjunction with the Emmaus Uniform Committee.

The value of enforcing a uniform policy for Primary and Secondary school is in order to:

- Maintain a neat appearance among students
- Make economic distinctions between students less noticeable (by eliminating designer caps, shoes, jackets and jeans which can be used as a status symbol)
- Make a clearer distinction between recreational/home activities and work/school activities
- Remind the children that they are part of a cooperative community and help create a community identity
- Help identify students from Emmaus Christian School Canberra when in public for safety reasons
- Encourage a sense of care and pride regarding personal appearance among students.

Christian Rationale

Students at Emmaus Christian are encouraged to live the whole of their lives under the Lordship of Jesus Christ. Their appearance also comes under His Lordship. As such, it must at all times reflect their role as ambassadors for Jesus Christ to the wider community.

The Scriptures teach that:

“The Lord does not look at the things man looks at. Man looks at the outward appearance, but the Lord looks at the heart” (1 Samuel 16:7b).

The desire at Emmaus is to balance:

- requiring dress and appearance that reflects positively upon the school;
- enforcing compliance with policies and rules;
- encouraging proper respect for authority;
- valuing students as unique individuals created in the image of God; and
- acknowledging that what is within the heart is more important than what is seen on the surface, while also acknowledging that actual appearance should be, and usually is, a reflection of attitudes of the heart.

Purpose of this document

This document sets out student uniform guidelines and appearance expectations.

Who must comply with this document

All Primary and Secondary students and their parents must agree to the Uniform Policy as a part of Enrolment at Emmaus Christian School Canberra.

Preschool children need to be dressed in active play clothes and shoes.

Uniform Committee

The Uniform Committee is appointed by the Principal. The Committee consists of:

- Principal (Chair)
- Business Manager (Vice-Chair)
- Community Liaison Officer
- Head of Primary (or delegate)
- Head of Secondary (or delegate)
- Two Parent Representatives (preferably one parent from Primary and Secondary each)

If the need arises for a review of existing or selecting new uniform items, the Uniform Committee will make recommendations to the Principal for approval.

Uniform Considerations by the Committee

In selecting new uniform items or making recommendations to policy changes, the Uniform Committee will consider:

Affordability:

The type of uniform we select needs to be affordable and we need to consider how it may affect people who are struggling financially. Proving sufficient transition times for implementation of new uniform items will be considered

Practicality:

The uniform we select needs to be practical and due consideration will be given to issues relating to availability, climate, health and product specifications etc.

Sustainability:

The uniform we select must not be a product of a passing trend and due consideration will be given to issues relating to the capacity for uniform to be relatively “timeless”;

Modesty:

In considering uniform items and policy, modesty will be considered. This will be defined as propriety in dress, simplicity and a lack of pretentiousness.

Policy

Substitution of Uniform Items

Substituting Emmaus uniform with 'similar' styles or colours is not an option.

- All students with long hair must have it tied back.
- Hair ties, pins, clips etc. should be in Emmaus blue, green, white, or the same as the hair colour.
- Coloured hair is acceptable if it falls within the bounds of 'normal' hair colours.
- Students are not allowed to wear facial hair and their faces need to be clean and shaved all the time.
- No head covering other than the normal school hat.

Jewellery and Makeup

- Only plain studs or sleepers earrings are allowed and must be in the lower earlobe only.
- No jewellery besides watches and ear rings are allowed.
- Students with severe allergies are expected to wear a medi-band showing their allergy.
- Primary students are not to wear visible makeup.
- No Nail polish or fake nails permitted.

Consent and Compliance

Any variations to this policy have to be requested from and discussed with the Principal who may issue a Uniform Exemption Pass.

As a consequence, for students who do not comply with the Uniform Policy, a recess, lunch and/or after school detentions may be given but for students who persist in their refusal to comply, may be sent home or suspended. The Principal may use his discretion in excluding any student from School activities if these uniform requirements are not met to his satisfaction.

Free Dress Days

From time to time Emmaus has a 'Free Dress Day'. These days usually tie in with a fun day or special occasion and will be advertised in advance.

On Free Dress Days student can choose to come to school out of uniform but are still required to wear sun safe clothing (eg shoulders still need to be covered).

- Clothing must also be modest in style and length.
- Footwear should still offer protection and be suitable for the classes of the day.
