

23 January 2019

Dear Parents,

Welcome to the new school year!

On behalf of our wonderful Administration Team here at Emmaus, I am delighted to present to you ***Emmaus Launch Pack 2019***.

We trust that this pack will provide you with essential and valuable information to make your transition from last year to this one (or your new start to our school) smooth, fruitful and pleasant.

As we are highly minded with the education of your children and their learning program, we also want to see an engaging partnership with all our families. For both, good administration is required. We therefore need to you to read all the information in this pack, update, sign and promptly return any forms that need to come back to school.

Our theme for the year 2019 is **“Kindness Changes Everything”** and comes from 1 Corinthians 13:4 *“Love is patient, love is kind. It does not envy, it does not boast, it is not proud.”* This theme is also deeply marinated in our school’s three core values: *Equipping for Service, Striving for Mastery and Caring for Others*.

Generally, we communicate through Skoolbag and the school’s weekly newsletters but from time to time I will send out a special Parent Memorandum to share appropriate matters in private with you. Having said this, please feel free to contact me if you have any concerns but ensure that appropriate staff and leadership have been consulted as well.

May this be a wonderful year for all our ‘old’ and new families. Once again welcome.

I look forward to a great year!

Greetings and Blessings in Him our Risen Christ,

Erik Hofsink: Principal

<p>For your information, please find a structural overview of our school complete with position titles and names of senior staff on the next page.</p>
